Super Cashing Agent Information

Super cashing agent status is in addition to a traditional cashing agent based on a need in the area to cash claims between $5,001 and $25,000. This will allow players with claims below the $25,000 threshold to cash locally instead of heading to the Bluegrass regional office or our corporate office.

Notice: Claims between $5,001 and $25,000 cannot be paid via the web!
