- (d) **EZmatch numbers** – When the EZmatch option has been selected, the four (4) numbers printed below the Cash Ball 225 numbers on the Ticket which can result in a corresponding computer-selected instant win if any of the four (4) EZmatch numbers match any of the four (4) Cash Ball 225 numbers (regardless of order).
- (e) **The EZmatch Cash Ball** – When the EZmatch option has been selected, the one (1) number (designated as “CB”) printed with the EZmatch numbers which can result in a computer-selected instant win if The EZmatch Cash Ball (“CB”) matches The Cash Ball on the Ticket.

If for one or more plays, the player selects the EZmatch option, an individual ticket shall print each play. This Ticket or an Exchange Ticket shall be the only valid proof of the player’s purchase and shall be the only valid receipt for claiming or redeeming a prize. A Kentucky Cash Ball 225 Ticket, if purchased through the Lottery’s website at kylottery.com, is an iLottery Draw Game Ticket and means an electronic or virtual Ticket or play which conforms to the requirements of the Rules for the iLottery Purchase of Draw Games, the iLottery Terms of Use, and all applicable laws. 4. GENERAL DESCRIPTION AND HOW TO PLAY

The purpose of the Kentucky Cash Ball 225 game shall be to determine winners from Ticket holders matching one (1), two (2), three (3), or four (4) numbers from a field of one (1) through thirty-five (35) (the Cash Ball numbers) plus one (1) number from a field of one (1) through twenty-five (25) (the Cash Ball) collectively the “Cash Ball 225 Winning Numbers”, with the Winning Numbers randomly drawn at each Cash Ball 225 Drawing, which shall entitle the ticket holder to a prize hereinafter identified in Section 8 of this document (relating to determination of prize winners – the “Draw Win”).

To play EZmatch, players purchase a Cash Ball 225 wager and then choose to add the EZmatch option for an additional wager amount of one dollar (\$1) per play. When the EZmatch option has been selected, a player will receive four (4) instant computer-selected EZmatch numbers and one instant (1) computer-selected EZmatch Cash Ball printed in a single column below the Cash Ball 225 numbers and the Cash Ball on the ticket. If any of the first four EZmatch numbers matches any of the first four Cash Ball 225 numbers (regardless of order), and/or the EZmatch Cash Ball Number (designated by CB) matches The Cash Ball on the ticket, the player will instantly win the corresponding prize shown to the right of that matching EZmatch number/EZmatch Cash Ball (the “Instant Win”).

EZmatch is a game of chance, and the outcome is determined by the system at the point of purchase and is not determined by a drawing. The system distributes outcomes based on the probabilities within the prize structure.

When the EZmatch option has been selected, a player may win both the Instant Win component and the Draw Win component of the game. A player may claim the Instant Win prizes won immediately or wait until after the Drawing date printed on the ticket. If Instant Win prizes are claimed prior to the Drawing for the Drawing date printed on the Ticket of purchase, an Exchange Ticket will be issued. If a player waits until after the Drawing to claim any Instant Win or Draw Win prizes won on a Ticket, then all prizes won on a Ticket must be claimed together. All Instant Win and Draw Win prizes won must be claimed within 180 days of the Drawing date printed on the Ticket or Exchange Ticket. If a player has purchased a Multi-Draw ticket with the EZmatch option, the player shall have 180 days from the date of each drawing in which a Draw Win was won to claim the Draw Win prize(s) but shall have 180 days from the first Drawing date which appears on the ticket to claim any Instant Win.

5. TICKET PRICE

The wager amount for Kentucky Cash Ball 225 Tickets is one dollar (\$1.00) per play. The EZmatch option is one dollar (\$1.00) per play in addition to the cost of the Kentucky Cash Ball 225 Ticket. The KLC reserves the right to set a maximum ticket price.
