

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“JUICY WINS JACKPOT”
– \$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00
REVEAL I.D. NO. 4939
VERSION 1 - EFFECTIVE DATE: JUNE 21, 2024

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased **\$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Juicy Jackpot is an Instant Play game that participates in a Progressive Jackpot, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Two percent (2%) of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the single Progressive Jackpot. The current estimated Progressive Jackpot will appear at the top of every participating Progressive Jackpot Instant Play game.

The objective of Juicy Wins Jackpot is to collect clusters of matching, adjacent symbols to win prizes, or to collect five (5) Gold Grape Jackpot Symbols to win the progressive jackpot. Progressive jackpot starts at \$100,000 and increases with each purchase of a participating Progressive Jackpot Instant Play game!

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Juicy Wins Jackpot displays a 5x5 grid, a Progressive Jackpot Meter, and a Multiplier Play Meter. The Multiplier Play Meter is displayed at the top of the grid. It has six (6) spaces and is triggered when one (1) or more winning clusters is created.

When the play button is selected, symbols fall into place on the grid.

When three (3) or more identical symbols create a cluster which are connected in the grid by sharing a side (a “winning cluster”), a corresponding prize in the paytable is won, and the Multiplier Play Meter advances to the next level. If a winning cluster or clusters is made, the

Multiplier Play Meter advances to the next meter space. All winning clusters in the grid are removed before new symbols cascade down. These symbols can create new winning clusters, which award corresponding prizes, and are removed from the grid. Symbols cannot be connected diagonally to form a cluster.

A Wild Apple Symbol may appear anywhere in the grid and transform to match any connected symbols within a cluster.

The more matching symbols in a winning cluster, the greater the prize for that game symbol. This process continues until no new winning clusters form on the grid.

When three (3) Silver Star Symbols drop into the same grid, the Bonus is triggered. When three (3) Gold Star Symbols drop into the same grid, the Mega Bonus is triggered.

Multiplier Play Meter

The Multiplier Play Meter is displayed at the top of the grid. It has six (6) spaces and is triggered when one (1) or more winning clusters is created. If a winning cluster or clusters is made, the Multiplier Play Meter advances one space to the next meter space and will result in new symbols falling into the spaces where winning clusters were removed from the grid. The first three (3) spaces on the Multiplier Play Meter contain arrows. The last three (3) spaces contain multiplier values (2x, 3x, and 5x) that when activated, multiply the prize won by the respective multiplier amount. At the end of each game, the highest multiplier reached on the Multiplier Play Meter is multiplied by the total win amount. Multipliers in the main game are 2x, 3x, and 5x.

Bonus

To trigger the Bonus, the player must reveal three (3) Silver Stars. At the beginning of the Bonus, the game is expanded to a 6x6 grid, the Multiplier Play Meter increases the Multiplier values to 2x, 3x, 5x, and 10x, and the Bonus has five (5) turns. The Bonus offers the same gameplay as the main game.

Any Gold Grape Jackpot Symbols collected during the Bonus will be removed from the Jackpot Meter at the beginning of each turn.

No additional Bonus or Mega Bonus Symbols may appear during the Bonus. Only one Bonus can be awarded.

Mega Bonus

To trigger the Mega Bonus, the player must reveal three (3) Gold Stars. At the beginning of the Mega Bonus, the game is expanded to a 7x7 grid, the Multiplier Play Meter increases the

Multiplier values to 2x, 3x, 5x, 10x, and 25x, and the Mega Bonus has five (5) turns. The Mega Bonus offers the same gameplay as the main game.

Any Gold Grape Jackpot Symbols collected during the Mega Bonus will be removed from the Jackpot Meter at the beginning of each turn.

No Bonus or additional Mega Bonus Symbols may appear during the Mega Bonus. Only one Mega Bonus can be awarded.

Progressive Jackpot

To win the Progressive Jackpot, players must collect five (5) Gold Grape Symbols in the Jackpot Meter during the game. The Jackpot Meter will reset at the end of each free spin turn in the Bonus and Mega Bonus Games.

If the Progressive Jackpot is won, no other prize will be awarded. The jackpot amount shall be reset to One Hundred Thousand Dollars (\$100,000) and shall grow as subsequent participating Instant Play games are sold until the Progressive Jackpot is won.

The game continues until no clusters of three (3) or more connected cluster symbols of the same type appear in the grid, and no jackpot symbols appear in the grid.

Press the win message to view the game's outcome.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.
