

**KENTUCKY LOTTERY CORPORATION**  
**iLOTTERY INSTANT PLAY GAME RULES**  
**“MEDUSA MATCH JACKPOT”**  
**– \$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30, \$50 –**  
**REVEAL I.D. NO. 6458**  
**VERSION 1 - EFFECTIVE DATE: JANUARY 23, 2026**

**By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).**

**If you do not agree, do not access or purchase any Game.**

**1. INSTANT PLAY TICKET PRICE**

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

**2. HOW TO PLAY**

Medusa Match Jackpot is an Instant Play game that participates in a Progressive Jackpot, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant Play games participate in the same Progressive Jackpot. Two percent (2%) of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the single Progressive Jackpot with the other games participating in that Progressive Jackpot.

Progressive Jackpot starts at \$100,000 and increases with each purchase of a participating Progressive Jackpot Instant Play Game.

The object of Medusa Match Jackpot is to match five (5) or more Game Symbols anywhere on the grid to win a prize, reveal Medusa Coin Symbols for Instant Win prizes, or collect a full grid of Medusa Coin Symbols to win the Progressive Jackpot.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Medusa Match Jackpot displays a 3x5 grid and a Jackpot meter. Once the wager is selected and the PLAY button is pressed, symbols cascade across the grid. When five (5) or more matching Game Symbols appear anywhere on the grid, a corresponding prize in the Prize Table (in the drop down menu) is won.

The more matching symbols in a grid, the greater the prize for that Game Symbol. Medusa Coin Symbols can reveal Instant Win prizes, three (3) Bonus Symbols trigger the Free Turns Bonus, and Double Snake Symbols trigger the Locking Respins Bonus.

### Instant Win Coin Symbols

When one (1) or more Medusa Coin Symbols appear on the grid, the prize associated with each Medusa Coin Symbol is awarded instantly. Medusa Coin Symbols can appear in the Main Game, the Respins Bonus, and the Free Turns Bonus.

If the grid fills entirely with Medusa Coin Symbols, the Progressive Jackpot is awarded in lieu of any other prizes.

### Free Turns Bonus

When three (3) Bonus Symbols appear on the Main Game grid, the Free Turns Bonus is triggered, awarding five (5) free turns and a 1x multiplier. No more than three (3) Bonus Symbols will appear on the Grid during the Main Game.

Before the Free Turns Bonus begins, a picker screen appears with a 3x5 grid of fifteen (15) Mystery Tiles. The player can individually click on each Mystery Tile or click the Double PLAY button to automatically reveal Mystery Tiles. The outcome of the game is not impacted or influenced by the player clicking on the Mystery Tiles.

Mystery Tiles reveal either multipliers, free turns, or a Play Symbol to start the Free Turns Bonus. Once a Play Symbol is revealed behind a Mystery Tile on the picker screen the Free Turns Bonus will begin. This can occur before all Mystery Tiles are revealed. Any Multipliers or extra turns that have already been collected on the picker screen, are applied to the Free Turns Bonus round. There can be up to fifteen (15) Free Turns in the Bonus round. All prizes awarded during the Free Turns Bonus are multiplied by the total multiplier value from the pick screen, up to a total of 5x.

The Free Turns Bonus plays similarly to the main game – match five (5) or more Symbols anywhere on the grid to win a prize. Medusa Coins and Double Snake Symbols may appear triggering Instant Win prizes or the Respins Bonus.

The Free Turns Bonus ends when all turns have been played.

### Respins Bonus – Locking Bonus Game

When a Double Snake Symbol lands on the grid in the Main Game or Free Turns Bonus, it triggers the Respins Bonus. The Double Snake Symbol transforms into one of the Game Symbols or Medusa Coin Symbols, and locks into place.

### *Medusa Coin Symbol Revealed*

The Instant Win amount associated with the Medusa Coin Symbol is not revealed to the player when appearing on the grid, but the player will be presented with a generic Medusa Coin Symbol to signify that the Double Snake Symbol has been transformed into a Medusa Coin symbol. The remaining spaces will then repopulate with other Game Symbols or more Medusa Coin Symbols. If at least one Medusa Coin Symbol appears, it will also lock into position and turn golden along with the other locked golden Medusa Coin Symbols.

Medusa Coin Symbol locking and repopulating positions continues until no more new Medusa Coin Symbols appear in the grid, or all positions in the game grid are filled with Medusa Coin symbols.

If the grid fills completely with fifteen (15) Medusa Coin Symbols, the Progressive Jackpot is awarded in lieu of any other Instant Win prizes. If the Progressive Jackpot is not awarded, each generic Medusa Coin Symbol is revealed to the player with the associated Instant Win amount and awards the total prize.

Bonus Symbols that trigger the Free Turns Bonus and the Double Snake Symbol will never appear during the Medusa Coin Symbol - Locking Bonus.

#### *Game Symbol Revealed*

If the Double Snake Symbol is revealed and transforms into a Game Symbol, all instances of that Game symbol on the grid lock into position, and the remaining spaces repopulate with Game Symbols. If at least one Matching Game Symbol appears, it also locks into position along with the other locked Game Symbols, and the remaining empty positions repopulate again with more Game Symbols.

Locking and repopulating of Game Symbols continues until no more new matching Game Symbols appear in the grid, or all positions in the grid are filled with the same locking Game Symbol. Then, the Game Symbol match prize is awarded.

Medusa Coin Symbols, Bonus Symbols that trigger the Free Turns Bonus, and the Double Snake Symbol will never appear during the Game Symbol - Locking Bonus.

The Respins Bonus Locking Bonus Game ends when there are no more matching Game Symbols or if the Progressive Jackpot is awarded.

The game ends when all symbols have been revealed, and any triggered bonus games have been completed.

### **3. PRIZE STRUCTURES AND ODDS**

**Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.**

**PRICE: \$0.50**
