

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“FIRST CLASS FORTUNE”
– \$5, \$10, \$20, \$30, \$50 –
REVEAL I.D. NO. 0053
VERSION 1 - EFFECTIVE DATE: JULY 24, 2026

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

First Class Fortune is an Instant Play game.

To begin playing, the player must select their ticket cost before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player's ticket is determined at the time of ticket purchase.

The Main Game

At the start of the game, First Class Fortune displays twenty (20) blocks in a 4x5 grid, a Prize Chart button, a ticket cost button, a BUY button, and a Wins panel.

After selecting BUY, the color block symbols will fall into place in the grid. Find a winning cluster of three (3) or more identical symbols connected in the grid by sharing a side (a “winning cluster”) to win a corresponding prize according to the Prize Chart based on the ticket cost purchased.

The winning cluster of symbols is removed from the grid and additional symbols cascade down to fill the grid. These symbols can create new winning clusters, which award corresponding prizes, and are removed from the grid. Symbols cannot be connected diagonally to form a cluster.

If the additional blocks added lead to a new winning cluster, the game continues until no winning clusters are present. Once no winning clusters are present, the wins are awarded to the player.

Standard Wilds

The Standard Wild Symbol substitutes for all symbols except the BONUS symbol, Multiplier WILD symbol and FREE GAMES symbol. For example, revealing a Standard Wild symbol directly above, below, or to the left or right of a cluster of three (3) symbols creates a four (4) symbol win.

Standard Wild Symbols must be connected to a winning cluster to be applied.

Multiplier Wilds

Multiplier Wilds function the same as Standard Wilds except the win amount for any winning cluster it is part of is multiplied by the Multiplier amount. Multiplier Wilds may appear as 2X, 3X, 5X, or 10X.

The Multiplier Wild is only applied to winning clusters it is part of, not any other wins during that play round.

Free Games

Reveal three (3) FREE GAMES symbols in the grid to unlock ten (10) Free Games of the Main game.

Free Games are played the same as the Main First Class Fortune game. The Free Games end when all Free Games have been played and no new winning clusters remain in the grid.

At the end of the game, any winnings from the Main game and any Free Games winnings are displayed in the Wins panel.

Members Only Bonus Game

Reveal three (3) BONUS symbols on the grid to unlock the Members Only Bonus Game. The Members Only Bonus Game displays a grid with a coin in the lower left corner and Prize Meter on the right side of the grid.

Press PLAY to start the Members Only Bonus Game.

The Bonus Coin will start moving from the left side of the grid toward the right side. As the Bonus Coin travels across the grid, it can move up or down either raising or lowering the value. The current value of the Bonus Coin is always displayed on the Bonus Coin and on the Wins panel at the bottom of the grid.

The Members Only Bonus Game ends when the Bonus Coin reaches the far right of the board and lands on a prize on the Prize Meter.

The prize the Bonus Coin lands on will animate, and that prize amount is awarded. The Members Only Bonus Game then ends.

During the game, you can press the Fast Forward button to speed up the animations. As the game nears the end, the speed will return to normal before the win amount is revealed.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.

PRICE: \$5.00

Prize Value	Odds Per Play
\$50,000.00	2,000,000.00
