

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“KENTUCKY WILD STAR MULTIPLIER”
– \$0.10, \$0.20, \$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30
REVEAL I.D. NO. 5057
VERSION 1 - EFFECTIVE DATE: June 13, 2025

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.10, \$0.20, \$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

The object of Kentucky Wild Star Multiplier is to collect clusters of four (4) or more matching, adjacent symbols to win a prize. Reveal a Multiplier Wild Star Symbol and it will become part of a cluster when adjacent to matching symbols that create a cluster of four (4) or more. Reveal three (3) or more Multiplier Wild Star Symbols to trigger the Free Turns Bonus.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Kentucky Wild Star Multiplier displays an 8x6 grid filled with a combination of Fruit Symbols, “7” Symbols, and Multiplier Wild Star Symbols. When the wager is selected, and the PLAY button is pressed, Symbols fall into place on the grid.

When four (4) or more identical symbols create a cluster which are connected in the grid by sharing a side (a “winning cluster”), a corresponding prize in the prize table (in the drop down menu) is won, the winning Fruit or “7” Symbols are removed from the grid, and new Symbols cascade down to fill their spots. As new Symbols cascade down, they can create new winning matches. All non-winning Symbols remain in place until no winning clusters are present on the grid.

Oversized Symbols

Any Fruit or “7” Symbol may drop in the grid as 2x2 or 3x3 Oversized Symbols, creating a winning cluster to award a prize from the prize table or enhancing a winning cluster to award a greater prize.

- If a 2x2 Oversized Fruit or “7” Symbol drops in, it transforms into four (4) individual symbols and awards the corresponding prize.
- If a 3x3 Oversized Fruit or “7” Symbol drops in, it transforms into nine (9) individual symbols and awards the corresponding prize.

If there are any adjacent Symbols that match the Oversized Symbol when it drops in, those Symbols are added to the winning cluster and the corresponding prize is awarded. Oversized Symbols may appear in the Free Turns Bonus in addition to the Main Game.

Multiplier Wild Star Symbols

Multiplier Wild Star Symbols may drop on the grid, offering multipliers from 2x to 50x and can create or enhance winning clusters.

Multiplier Wild Star Symbols become part of a winning cluster if they drop in and connect to Symbols that create clusters of four (4) or more. The prize for the corresponding winning cluster is multiplied by the Multiplier Wild Star value. If two (2) or more Multiplier Wild Star Symbols combine in a winning cluster, the multiplier values are added together and then the corresponding prize is multiplied by the sum of the two multiplier values.

Multiplier Wild Symbols lock in place on the grid.

If the player reveals three (3) Multiplier Wild Star Symbols in the Main grid, the Free Turns Bonus is triggered, awarding eight (8) free turns.

Free Turns Bonus

The Free Turns Bonus is triggered when three (3) Multiplier Wild Star Symbols drop into the grid at the same time. The Free Turns Bonus plays the same as the Main Game and awards eight (8) free turns.

The three (3) Multiplier Wild Star Symbols that triggered the Free Turns Bonus game lock into position and remain in place for the duration of the Bonus. Additional Multiplier Wild Star Symbols may drop in during the Bonus and each additional Multiplier Wild Star Symbol will award two (2) additional Free Turns to the Bonus round.

The game ends when no winning clusters remain on the grid and any triggered bonus games are complete.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.
