

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“LIBERTY LUCK”
– \$0.10, \$0.20, \$0.50, \$1, \$2, \$5, \$10, \$20, \$30, \$50 –
REVEAL I.D. NO. 0045
VERSION 1 - EFFECTIVE DATE: JUNE 12, 2026

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.10, \$0.20, \$0.50, \$1.00, \$2.00, \$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Liberty Luck is an Instant Play game. To begin playing, the player must select their ticket cost before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

The Main Game

At the start of the game, Liberty Luck presents fifteen (15) blocks arranged in a 3x5 grid, a Prize Chart button, a ticket cost button, and a BUY button. The game also features a Rotating Message Panel that updates every 4–5 seconds and displays promotional and gameplay information, including the “win up to” message, details about symbol functionality, that the Wild symbol substitutes for all symbols except the America 250 Coin symbol, and that landing three (3) America 250 Coin symbols activates the bonus feature.

By selecting BUY, the symbols will fall into place in the grid. Reveal a cluster of three (3) or more identical symbols connected in the grid by sharing a side (a “winning cluster”) to win the corresponding prize in the Prize Chart!

Each time a winning cluster is displayed, those blocks will be destroyed and new blocks with symbols will fall into place in the grid.

The game ends when no winning clusters remain in the grid, and any triggered bonus are completed, and all prizes have been awarded.

Feature Descriptions

WILD Symbols

Reveal a WILD symbol to substitute for all symbols except the “AMERICA 250” Coin symbol and the All or Nothing Quarter symbol.

WILD symbols must be part of a winning cluster to contribute to a win.

Expanding WILD Symbols

Reveal an Expanding WILD symbol to expand and fill the entire column.

The Expanding WILD functions as multiple WILD symbols and can help create additional or larger winning clusters.

All Or Nothing Bonus

Reveal the ALL OR NOTHING QUARTER symbol to trigger the ALL OR NOTHING BONUS.

Select either Heads or Tails and Press FLIP to flip the coin.

If the Quarter lands on the side of the coin the player selected, the player wins twenty-five (25) times their stake.

If the Quarter does not land on the side of the coin the player selected, no prize is awarded.

The outcome of the ALL OR NOTHING BONUS is predetermined and not impacted by the side of the coin the player selects.

AMERICA 250 Feature

Reveal three (3) “AMERICA 250” COIN symbols anywhere in the grid to trigger the BONUS GAME selection.

The player will then choose one (1) of three (3) available BONUS GAMES to play.

BONUS GAMES

BONUS GAMES are unlocked when three (3) “AMERICA 250” COIN symbols are revealed. The player will be presented with the Bonus Game selection screen to select a BONUS GAME to play.

There are three (3) BONUS GAMES available.

The outcome of the BONUS GAME is predetermined and not impacted by the BONUS GAME the player selects.

Declaration Dollars Bonus Game

Press GO to start the game.

The Declaration Dollars Bonus Game begins with three (3) GOES.

For each GO, new symbols fall into the game grid.

Symbols can include special symbols that remain locked in place once revealed. Each time one of these symbols appears, the number of remaining GOES resets to three (3).

The game continues until no GOES remain or the board is filled with special symbols.

At the end of the game, a prize is awarded based on the number of special symbols collected. Only the highest prize is awarded.

Scenes of America Bonus Game

The Scenes of America Bonus Game starts with a scene displaying a 10X multiplier.

Press GO to reveal either ADVANCE or COLLECT.

Revealing ADVANCE moves the player to the next scene with a higher multiplier.

Revealing COLLECT awards a prize equal to the stake multiplied by the current scene's multiplier, and the game ends.

Multipliers that could appear in a Scenes of America Bonus Game are: 10X, 12X, 15X, 20X, 30X, 50X, 100X, 200X, 500X, and 1000x.

The multiplier applies only to the stake for that bonus game.

Innovation Pick and Click Bonus Game

The Innovation Pick and Click Bonus Game starts with twelve (12) invention symbols to select from.

Select symbols to reveal hidden prize amounts.

Match three (3) identical prize amounts to win that prize.

The game ends once three (3) matching prizes are revealed.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.

PRICE: \$0.10

Prize Value	Odds Per Play
