

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“LUCKY COINS HUNGRY PIG”
– \$0.50, \$1, \$2, \$3, \$5, \$10, \$20
REVEAL I.D. NO. 6531
VERSION 1 - EFFECTIVE DATE: SEPTEMBER 26, 2025

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1, \$2, \$3, \$5, \$10, or \$20** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Lucky Coins Hungry Pig is an Instant Play game that participates in several Progressive Jackpots, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant play games participate in the same Progressive Jackpot.

Below is the percentage of sales from each participating Progressive Jackpot Instant Play game that will roll into the single Progressive Jackpot with other games participating in that Progressive Jackpot:

	Base Jackpot Starts at:	Sales Contribution Percentage:
Jackpot 1(Mega)	\$250,000	1.50%
Jackpot 2 (Major)	\$5,000	0.25%
Jackpot 3 (Mini)	\$500	0.25%

The object of Lucky Coins Hungry Pig is to land a coin in Lucky the Pig to win Instant Prizes, trigger the Bonus game by lighting up Bonus Stars, or win the corresponding Mini, Major, or Mega Progressive Jackpot amounts.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Lucky Coins Hungry Pig displays Lucky the Pig on a pedestal, three (3) empty Bonus Star placeholders, and randomly assorted Coin Symbols with associated Instant Win Prize amounts or Jackpots. Also displayed are Mega, Major, and Mini Jackpot Meters, and a Menu that contains the Prize Table.

When the PLAY button is selected, Lucky the Pig reacts, and Coin Symbols are thrown onto the screen. When Lucky collects Coin Symbols, Instant Win amounts are triggered to highlight and be awarded to the player. Bonus Star Symbols may also appear and become highlighted and collected.

A Mini, Major or Mega Progressive Jackpot is won if the associated Coin is highlighted and collected when Coins are thrown on the screen. No more than one (1) Jackpot symbol will be highlighted at once in the Main Game or the Bonus game.

Multiplier Symbols

A Multiplier Symbol may appear on a win in the Main Game. Multiplier Symbols award a multiplier that multiplies all prizes awarded during the Main Game. The value of the multiplier symbol can be 2x, 3x, 5x or 10x.

No more than one (1) Multiplier Symbol will appear at once during the Main Game, and Multiplier Symbols will never appear during the Bonus Game.

Lucky's Prize Boost Bonus Game

Lucky's Prize Boost Bonus Game is triggered when three (3) Bonus Stars are highlighted and collected in the Main Game.

The Bonus Game awards three (3) free turns and Lucky appears six (6) times on the screen. On each turn, the Bonus Game plays in a similar way to the Main Game, which can result in a win on any of the six (6) Luckys on the screen.

Each time any of the Luckys collect Coin Symbols, a win occurs, the turn counter resets to three (3), and the prize amount appears on the specific Lucky that collected the Coin Symbol(s). The prize increases on any Lucky every time a win occurs on that specific Lucky. If another Coin Symbol lands in the same Lucky, the prize amount increases.

When the turn counter reaches zero (0), no more free turns can be awarded and Lucky's Prize Boost Bonus Game ends. The sum of all the prizes shown on each Lucky is won at the end of the Bonus Game.

It is possible to win the Mini, Major, or Mega Progressive Jackpot in the Bonus Game. If a Jackpot Symbol appears on one (1) of the Luckys, then the corresponding Mini, Major, or Mega Progressive Jackpot is awarded at the end of the Bonus.

The game ends when all coins have been thrown and any triggered bonus game has completed.

This game is designed to offer a rotating graphic theme which will change at intervals determined by the KLC.

All graphic editions of Lucky Coins Hungry Pig will play the same as the Lucky Coins Hungry Pig Festive Pulse.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.
