

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“LUCKY LURE”
–\$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30, \$50–
REVEAL I.D. NO. 6578
VERSION 1 - EFFECTIVE DATE: JULY 24, 2026

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Lucky Lure is an Instant Play game that participates in a Progressive Jackpot, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant play games participate in the same Progressive Jackpot. Two percent (2%) of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the single Progressive Jackpot with the other games participating in that Progressive Jackpot.

The object of Lucky Lure is to collect three (3) or more matching, adjacent symbols to win a prize (a “winning cluster”), or trigger the Prize Catch Feature which can award instant win prizes, trigger the Free Turns Bonus, or award the Jackpot.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Lucky Lure displays a 3x5 grid filled with symbols and a Jackpot meter. When the PLAY button is selected, symbols fall into place in the grid. When three (3) or more identical symbols create a cluster which are connected in the grid by sharing a side (a “winning cluster”), a corresponding prize in the Prize Table is won. A winning cluster of symbols is removed from the grid and additional symbols cascade down to fill the grid. These symbols can create new winning clusters, which award corresponding prizes, and are removed from the grid. Symbols cannot be connected diagonally to form a cluster. The main game ends when no new winning clusters appear in the grid.

Wild Symbols may appear in the grid and can substitute for all Cluster Symbols. Wild Symbols can help create or enhance clusters and only apply when they are part of a winning cluster.

Prize Catch Feature

The Prize Catch feature can award instant win prizes, trigger the Free Turns Bonus, or award the Jackpot Prize.

If a Fisherman Symbol lands in the play grid, the Prize Catch feature is triggered, and the Fisherman drops a hook into the ocean to catch a prize. The number of Fisherman Symbols in the grid determines the number of hooks that get dropped into the ocean to catch a prize. For example, if three (3) Fisherman Symbols land in the grid, three (3) hooks will drop into the ocean during the Prize Catch Feature. The maximum amount of Fisherman Symbols that can appear in the grid during the Main Game and Free Turns Bonus is five (5).

A Fisherman Symbol with a multiplier may land and multiply an instant win prize caught by dropping the hook. Available multipliers are 2X and 3X.

The Prize Catch Feature can also trigger the Free Turns Bonus or catch the Jackpot Prize.

The Jackpot Prize is awarded when the Fisherman hooks the Treasure Chest Symbol located at the bottom of the sea. The Jackpot is awarded in lieu of any other prizes.

Free Turns Bonus

The Free Turns Bonus is triggered when a Starfish Symbol is caught in the Prize Catch Feature. The Free Turns Bonus awards ten (10) free turns.

Gameplay in the Bonus is similar to the main game, where each turn may create winning clusters with matching Symbols.

Each time a Fisherman Symbol lands during the Bonus, the Prize Catch Feature is triggered.

The Jackpot Prize is not available in the Free Turns Bonus.

During the Free Turns Bonus the multiplier increases by 1x for each Fisherman Symbol that lands and multiplies the prize. Available multipliers are 2X, 3X, 4X, 5X, 6X, 7X, 8X, 9X, 10X, 11X, and 12X.

If a Prize Catch Feature catches another Starfish Symbol during the Free Turns Bonus, two (2) extra Free Turns are awarded.

Extra Free Turns are multiplied by the current multiplier. For example, if the multiplier is 2X, then four (4) extra Free Turns are awarded.

The game ends when no winning clusters remain on the grid, and any triggered bonus games are completed.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.
