

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“MIDAS MATCH JACKPOT”
–\$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30
REVEAL I.D. NO. 5149
VERSION 1 - EFFECTIVE DATE: June 13, 2025

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Midas Match Jackpot is an Instant Play game that participates in a Progressive Jackpot, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant Play games participate in the same Progressive Jackpot. Two percent (2%) of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the single Progressive Jackpot with the other games participating in that Progressive Jackpot.

The object of Midas Match Jackpot is to match five (5) or more Game Symbols anywhere on the grid to win a prize, reveal Coin Symbols for Instant Win prizes, or collect a full grid of Instant Win Coin Symbols to win the Progressive Jackpot.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Midas Match Jackpot displays a 3x5 grid and a Jackpot meter. Once the wager is selected and the PLAY button is pressed, symbols cascade across the grid. When five (5) or more matching Game Symbols appear anywhere on the grid, a corresponding prize in the Prize Table (in the drop-down menu) is won.

The more matching symbols in a grid, the greater the prize for that Game Symbol. Coin Symbols can reveal Instant Win prizes, Bonus Symbols trigger the Free Turns Bonus, and Lock Symbols trigger the Locking Respins Bonus.

Instant Win Coin Symbols

When one (1) or more Instant Win Coin Symbols appear on the grid, the prize associated with each Instant Win Coin Symbol is awarded instantly. Instant Win Coin Symbols can appear in the Main Game, the Respins Bonus, and the Free Turns Bonus.

If the grid fills entirely with Instant Win Coin Symbols, the Progressive Jackpot is awarded in lieu of any other prizes.

Free Turns Bonus

When three (3) Bonus Symbols appear on the Main Game grid, the Free Turns Bonus is triggered, awarding five (5) free turns and a 1x multiplier. No more than three (3) Bonus Symbols will appear on the Grid during the Main Game.

Before the Free Turns Bonus begins, a picker screen appears with fifteen (15) Mystery Tiles. The player can individually click on the Mystery Tiles or click the Double PLAY button to automatically reveal Mystery Tiles.

Mystery Tiles reveal either multipliers, free turns, or a Play Symbol to unlock a Free Turns Bonus to award additional free turns.

Once a Play Symbol is revealed behind a Mystery Tile on the picker screen the Free Turns Bonus will begin. This can occur before all Mystery Tiles are revealed. Any Multipliers or extra turns that have already been collected on the picker screen, are applied to the Free Turns Bonus round. All prizes awarded during the Free Turns Bonus are multiplied by the total multiplier value from the pick screen, up to a total of 5x.

The Free Turns Bonus plays similar to the main game – match five (5) or more Symbols anywhere on the grid to win a prize. Coin and Lock Symbols may appear triggering Instant Win prizes or the Respins Bonus.

The Free Turns Bonus ends when all turns have been played.

Respins Bonus – Locking Bonus Game

When a Lock Symbol lands on the grid in the Main Game or Free Turns Bonus, it triggers the Respins Bonus. The Lock Symbol transforms into either a golden version of the Instant Win Coin Symbol or any of the other Game Symbols, and locks into place.

Instant Win Coin Symbol Revealed

The type of Instant Win Coin Symbol is not revealed to the player when appearing on the grid, but the player will be presented with a generic Instant Win Coin Symbol to signify that the Lock Symbol has been transformed into an Instant Win Coin symbol. The remaining spaces will then repopulate with other Match Symbols or more Instant Win Coin Symbols. If at least one Instant Win Coin Symbol appears, it will also lock into position and turn golden along with the other

locked golden Instant Win Coin Symbols, and the remaining empty positions repopulate again with either Game Symbols or Instant Win Coin symbols.

Instant Win Coin Symbol locking and repopulating positions continues until no more new Instant Win Coin Symbols appear in the grid, or all positions in the game grid are filled with Instant Coin Win symbols.

If the grid fills completely with fifteen (15) Instant Win Coin Symbols, the Progressive Jackpot is awarded in lieu of any other Instant Win prizes. If the Progressive Jackpot is not awarded, each generic Instant Win Coin Symbol is revealed to the player with the associated amount and awards the total prize.

Bonus Symbols that trigger the Free Turns Bonus and the Lock Symbol will never appear during the Instant Win Coin Symbol - Locking Bonus Games.

Game Symbol Revealed

If the Lock Symbol is revealed as a Game Symbol, all instances of that Game symbol on the grid lock into position, and the remaining spaces repopulate with Game Symbols. If at least one Matching Game Symbol appears, it also locks into position along with the other locked Game Symbols, and the remaining empty positions repopulate again with more Game Symbols.

Locking and repopulating positions continues until no more new matching Game Symbols appear in the grid, or all positions in the grid are filled with the same locked Game symbol. Then, the Game Symbol match prize is awarded.

Instant Win Coin Symbols, Bonus Symbols that trigger the Free Turns Bonus, and the Lock symbol will never appear during the Game Symbol Locking Bonus.

The Respins Bonus Locking Bonus Game ends when there are no more matching Game Symbols or if the Progressive Jackpot is awarded.

The game ends when all symbols have been revealed, and any triggered bonus games have been completed.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.
