

**KENTUCKY LOTTERY CORPORATION**  
**iLOTTERY INSTANT PLAY GAME RULES**  
**“MONEY STRIKES JACKPOTS”**  
**– \$0.50, \$1, \$2, \$3, \$5, \$10, \$20, \$30, \$50**  
**REVEAL I.D. NO. 2515**  
**VERSION 1 - EFFECTIVE DATE: SEPTEMBER 26, 2025**

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

**1. INSTANT PLAY TICKET PRICE**

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

**2. HOW TO PLAY**

Money Strike Jackpots is an Instant Play game that participates in several Progressive Jackpots, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant play games participate in the same Progressive Jackpot.

Below is the percentage of sales from each participating Progressive Jackpot Instant Play game that will roll into the single Progressive Jackpot with other games participating in that Progressive Jackpot:

	<b>Base Jackpot Starts at:</b>	<b>Sales Contribution Percentage:</b>
Jackpot 1(Mega)	\$250,000	1.50%
Jackpot 2 (Major)	\$5,000	0.25%
Jackpot 3 (Mini)	\$500	0.25%

The object of Money Strike Jackpots is to match five (5) or more symbols anywhere on the grid to win a prize, or land Lightning Collector with one or more Prize Symbols on the grid to win one or more instant prizes. Win one of the three (3) Progressive Jackpots with one or more Lightning Collector Symbols appearing in the grid with a Mega, Major, or Minor Jackpot symbol at the same time. Trigger the bonus games when three (3) Bonus Symbols appear on the grid, and choose one (1) of three (3) different bonus game options.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Money Strike Jackpots displays a grid with four (4) rows and six (6) columns. Also displayed are Mega, Major, and Mini Jackpot Meters, and a Menu that contains the Prize Table. When the PLAY button is selected, symbols fall into place on the grid column by column. When five (5) or more identical symbols appear anywhere on the grid, a corresponding prize in the Prize Table is won. The more matching symbols that appear anywhere on the grid, the greater the prize for that symbol.

### Prize Symbols

Prize Symbols may appear on the grid and show Instant Win amounts. Prize Symbols are only collected and awarded if at least one (1) Lightning Collector Symbol is also present on the grid.

If there are multiple Prize Symbols and at least one (1) Lightning Collector Symbol on the grid at the same time, the Prize Symbols are added together, and the total amount is awarded in addition to any wins from five (5) or more matching symbols.

### Lightning Collector Symbols

If the Lightning Collector Symbol appears on the grid, it totals any Prize Symbols present on the grid and awards as an Instant Win.

If there are no Lightning Collector Symbols on the grid, any Prize or Jackpot Symbols that are present on the grid are not awarded.

If more than one (1) Lightning Collector Symbol appears in the grid, each Collector Symbol that appears awards an Instant Win prize for all Prize Symbols that also appear in the grid.

\*i.e. if two (2) Lightning Collector Symbols appear in the grid alongside one (1) Prize Symbol, two (2) Instant Win prizes of the same value corresponding to that Prize Symbol will be awarded to the player.

Up to eight (8) Lightning Collector Symbols may appear on the grid at the same time.

### Progressive Jackpot

The Mini, Major, or Mega Progressive Jackpot is awarded only if a corresponding Mini, Major, or Mega Jackpot Symbol and at least one (1) Lightning Collector Symbol appears on the grid at the same time.

The Progressive Jackpot is awarded in lieu of any other prizes.

### **Bonus Games**

Bonus Symbols may appear only in the Main Game grid. If three (3) Bonus Symbols appear, the Bonus Games are triggered.

Players are presented with a choice of one of three (3) Bonus Games to play: Lock & Win Bonus, Nudge Bonus, or Guaranteed Collector Bonus.

### Lock & Win Bonus

The Lock & Win Bonus plays similar to the Main Game and awards three (3) free turns.

If a Lightning Collector, Prize Symbol, or Jackpot Symbol appears on the grid, it locks into place, and the number of remaining turns resets to three (3). When a Lightning Collector Symbol appears, it collects all the Prize Symbols. The positions of the Prize Symbols clear at the start of the next turn.

A Mini, Mega, or Major Jackpot is awarded when a Jackpot Symbol appears and locks in place— a Lightning Collector Symbol on the grid at the same time is not needed for a Progressive Jackpot award in the Lock & Win Bonus.

The bonus ends once there are three (3) consecutive turns without any Lightning Collector Symbols, Prize Symbols, or Jackpot Symbols appearing.

At the end of the Lock & Win Bonus game, all Prize Symbols present on the grid, and Prize Symbols collected by any Lightning Collector Symbols are awarded to the player, or the Mini, Major, or Mega Jackpot is awarded to the player.

### Nudge Bonus

The Nudging Prizes Bonus plays similar to the Main Game and awards ten (10) free turns.

If at least one (1) Lightning Collector Symbol appears, any Prize Symbols in any column nudge up or down to fill the entire column with Prize Symbols. All Instant Win prizes of the values corresponding to any Prize Symbol on the grid are awarded.

If more than one (1) Lightning Collector Symbol appears, all prizes are collected by each Lightning Collector Symbol as in the Main Game.

If a Mini, Major, or Mega Jackpot Symbol lands on the same grid with a Lightning Collector Symbol, the symbols do not nudge, and the corresponding Progressive Jackpot is awarded. No Lightning Collector Symbol will ever appear in the grid without at least one Prize Symbol or Jackpot Symbol also appearing in the grid.

The total bonus win is equal to the total wins awarded on each of the ten (10) free turns.

### Guaranteed Collector Bonus

The Guaranteed Collector Bonus plays similar to the Main Game and awards three (3) free turns. At least one (1) Lightning Collector Symbol appears on the grid on each turn.

If any Prize Symbols appear on the grid, the Instant win prizes of the values corresponding to any Prize Symbols are totaled and awarded.

If a Mini, Major, or Mega Jackpot Symbol appears, the corresponding jackpot is awarded. No more than one (1) Lightning Collector Symbol will ever appear on the grid when a Jackpot Symbol appears.

If more than one (1) Lightning Collector Symbol appears, all prizes on the grid are collected by each Lightning Collector as in the Main Game.

The total bonus win is equal to the total wins awarded on each of the three (3) free turns.

The game ends when there are no symbol matches, no Prize Symbols are collected, and when any triggered bonus games have completed.

**Progressive Jackpot Odds by Price Point**

	<b>\$250,000* (Mega)</b>	<b>\$5,000* (Major)</b>	<b>\$500* (Mini)</b>
\$0.50	1 : 33,333,333.33	1 : 4,000,000.00	1 : 400,000.00
