iLOTTERY INSTANT PLAY GAME RULES
“MYSTIC FORTUNE”
– \$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, \$30.00
REVEAL I.D. 4973,4974,4975,4976,4977,4978,4979,5089,
VERSION 2 - EFFECTIVE DATE: SEPTEMBER 27, 2024

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased **\$0.50, \$1.00, \$2.00, \$3.00, \$5.00, \$10.00, \$20.00, and \$30.00**, unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Mystic Fortune is an Instant Play game that participates in several Progressive Jackpots, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant play games participate in the same Progressive Jackpot.

Below is the percentage of sales from each participating Progressive Jackpot Instant Play game that will roll into the single Progressive Jackpot with other games participating in that Progressive Jackpot:

Jackpot Starting Amount	Jackpot Contribution Percentage
\$50,000	1.50%
\$5,000	0.25%
\$500	0.25%

The object of Mystic Fortune is to collect three (3) or more matching symbols to win a prize or collect three (3), four (4), or five (5) Jackpot Symbols to win the corresponding jackpot amounts.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

At the start of the game, Mystic Fortune displays a 4x4 grid, Mega, Major, and Mini Jackpot Meters, and a Menu that contains the Prize Table. Then, symbols fall into place on the grid. When three (3) or more identical symbols appear anywhere on the grid, a corresponding prize in the Prize Table is won. After establishing a winning set of symbol(s), the player must select the PLAY button for all symbols to be removed from the grid to reset before the player reveals the next set of symbols. To reveal new symbols, the player can select each square on the grid individually or press the PLAY button to allow new symbols to fall into place on the grid which can create new winnings combinations and award corresponding prizes automatically. The more matching symbols in a grid, the greater the prize for that game symbol.

A Crystal Ball may appear anywhere in the grid and transform into one of the game symbols, a Jackpot Symbol, or a Bonus Symbol. The column or row where the Crystal Ball Symbol is revealed will be highlighted and all highlighted symbols will transform into the same symbol, creating a win or increasing the number of matching symbols for a greater prize.

Multiplier Bonus

When three (3) Fortune Teller Symbols drop into the same grid, the Bonus is triggered and awards ten (10) turns.

On each turn, Multiplier Cards may appear in the grid and lock into place while all other symbols spin and re-populate as turns are completed. If a Fortune Teller Symbol lands in the grid, all locked multipliers are added together during that turn and the ticket cost is multiplied by the total multiplier value, adding to the Bonus Win.

If two (2) Fortune Teller Symbols land in the grid at the same time, all locked multipliers are collected two (2) times for that turn and multiplied by the ticket cost, adding even more to the total Bonus Win.

If three (3) Fortune Teller Symbols land in the grid at the same time, all locked multipliers are collected three (3) times for that turn and multiplied by the ticket cost, adding even more to the total Bonus Win.

After ten (10) turns, the Bonus Round ends and all turn wins are added together and awarded as the total Bonus Win.

Jackpot Bonus

When three (3) Diamond Symbols drop into the same grid, the Mini Jackpot is awarded, starting at five hundred dollars (\$500). When four (4) Diamond Symbols drop into the same grid, the Major Jackpot is awarded, starting at five thousand dollars (\$5,000). When five (5) Diamond Symbols drop into the same grid, the Mega Jackpot is awarded, starting at fifty thousand dollars (\$50,000). If the Mini, Major, or Mega Jackpot is awarded, that jackpot amount shall be reset to the Base Jackpot amount and shall grow as subsequent participating Instant Play games are sold until that Mini, Major, or Mega jackpot is won.

All Progressive Jackpot amounts are awarded in lieu of any other prizes.

The game ends when all symbols have been revealed and any triggered bonus games have completed.
