

KENTUCKY LOTTERY CORPORATION
iLOTTERY INSTANT PLAY GAME RULES
“PHARAOH’S DESTINY”
–\$0.50, \$1, \$2, \$5, \$10, \$20, \$30, \$50 –
REVEAL I.D. NO. 0046
VERSION 1 - EFFECTIVE DATE: JUNE 12, 2026

By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter “Instant Play General Rules”), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at <http://www.kylottery.com> (collectively “the Rules”).

If you do not agree, do not access or purchase any Game.

1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **\$0.50, \$1.00, \$2.00, \$5.00, \$10.00, \$20.00, \$30.00, or \$50.00** unless authorized by the President at a discount for promotional purposes.

2. HOW TO PLAY

Pharaoh’s Destiny is an Instant Play game that participates in a Progressive jackpot. Not all Progressive Jackpot Instant Play games participate in the same Progressive Jackpot. Plays of those games that participate in the same Progressive Jackpot have an equal chance by price point to win a progressive jackpot prize. Two percent (2.00%) of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the Progressive Jackpot with the other games participating in that Progressive Jackpot.

One percent (1.00%) is contributed to the Lightning Jackpot Prize. An additional 1.00% of each purchase in the Pharaoh’s Destiny game is contributed to fund the starting Progressive jackpot values.

	Base Jackpot Starts at:	Sales Contribution Percentage:
Lightning Jackpot	\$250	1.00%

To begin playing, the player must select their ticket cost before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player’s ticket is determined at the time of the ticket purchase.

The Main Game

At the start of the game, Pharaoh’s Destiny displays twenty (20) blocks in a 4x5 grid, a Prize Chart button, a Lightning Jackpot prize panel, a ticket cost button, and a BUY button.

After selecting BUY, the colored block symbols will fall into place in the grid. Find a winning cluster of three (3) or more identical symbols connected in the grid by sharing a side (a “winning cluster”) to win a corresponding prize according to the Prize Chart based on the ticket cost purchased.

The winning cluster of symbols is removed from the grid and additional symbols cascade down to fill the grid. All winning clusters in the grid are removed before new symbols cascade down. These symbols can create new winning clusters, which award corresponding prizes, and are removed from the grid. Symbols cannot be connected diagonally to form a cluster.

If the additional blocks added lead to a new winning cluster, the game continues until no winning clusters are present.

Reveal a Multiplier, Pharaoh Shake, Tower Bonus Game or Lightning Jackpot Bonus Game to activate those game features.

The game ends when all winning clusters in the grid have been awarded, and any triggered bonus games are completed, and all prizes have been awarded.

Feature Descriptions

Pharaoh Shake

If a SHAKE symbol is revealed and no winning clusters are on the board, a sandstorm will appear and all symbols on the board will be blown off the board. New symbols will then appear on the board in a configuration that generates a winning cluster.

Multiplier

If a MULTIPLIER symbol is in the grid when a winning cluster is revealed, the Multiplier Total increases by one (1) for that game. Each subsequent winning cluster in that game will increase the MULTIPLIER by one (1) until no more winning clusters are revealed. MULTIPLIER symbols that enter the board after a winning cluster is removed are not added to the Multiplier Total unless a new winning cluster is created by the new symbols that enter the grid. At the end of each game, the win amount for that game will be multiplied by the MULTIPLIER amount. The multiplied amount will be awarded. The Multiplier Total resets to 1X after each game. The available Multiplier values are 2X, 3X, 4X, 5X, 6X, 7X, 9X, and 11X.

Multipliers are not applied to any wins in the Tower Bonus Game or Lightning Jackpot Bonus Game.

Tower Bonus Game

Reveal three (3) Bonus Game symbols anywhere in the game grid to unlock the Tower Bonus Game.

The Tower Bonus Game starts with four (4) row block tower (24 total blocks) and a GO button. To begin the Tower Bonus Game, the player must select Go and the blocks on the bottom row of the tower will highlight in turn. When the highlight stops on a block, the symbol in that block will stay highlighted and that symbol on the block will enlarge. The symbol in the highlighted block will determine the outcome.

- If the highlight stops on a prize amount block, the prize is awarded and the Tower Bonus Game ends.
- If the highlight stops on an arrow block, the Tower Bonus Game continues. The GO button will reactivate and will need to be selected again. The Tower Bonus Game continues until the highlight stops on a prize amount and the Tower Bonus Game ends.

Once the Tower Bonus Game ends, the total won will appear in the middle of the screen.

Lightning Jackpots Bonus Game

Reveal three (3) LIGHTNING JACKPOT symbols to unlock the Lightning Jackpot Bonus Game. At the start of the Lightning Jackpot Bonus Game, the game displays nine (9) Lightning symbols. Select a Lightning symbol to reveal a prize amount or a Lightning Jackpot symbol.

- If three (3) matching prize amounts are revealed, the prize amount is awarded and the Lightning Jackpot Bonus Game will end.
- If three (3) matching Lightning Jackpot symbols are revealed, the Lightning Jackpot is awarded, and the Lightning Jackpot Bonus Game will end.

Weekly Winners are based on a rolling 7-day period.

Weekly Winners Ticker

Pharaoh's Destiny includes a Weekly Winners feature which is located above the grid, left of Lightning Jackpot amount. This ticker shows the Jackpot Winners over the past 168 hours (7 days). Ticker updates after every Lightning Jackpot win. Ticker does not update for any other wins player might have in-game. At any given time, it will show only wins that occurred in the last 168 hours from the current moment.

3. PRIZE STRUCTURES AND ODDS

Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.

PRICE: \$0.50

Prize Value	Odds Per Play
\$250.00*	50,000.00
\$2,500.00	2,000,000.00
