**KENTUCKY LOTTERY CORPORATION**
**iLOTTERY INSTANT PLAY GAME RULES**
**"YETI DROP BLITZ"**
**–$0.50, $1, $2, $3, $5, $10, $20, $30, $50 –**
**REVEAL I.D. NO. 6644**
**VERSION 1 - EFFECTIVE DATE: SEPTEMBER 18, 2026**

**By purchasing any iLottery Instant Play Ticket and accessing any Instant Play Game, a player accepts and agrees to comply with these Game Rules and Regulations, the General Rules governing iLottery Instant Play games (hereinafter "Instant Play General Rules"), the iLottery Terms of Use, and all rules, terms and conditions, privacy policies, disclaimers and agreements on the Lottery Website at http://www.kylottery.com (collectively "the Rules").**

**If you do not agree, do not access or purchase any Game.**

## 1. INSTANT PLAY TICKET PRICE

An Instant Play Ticket for this Instant Play Game may be purchased for **$0.50, $1.00, $2.00, $3.00, $5.00, $10.00, $20.00, $30.00, or $50.00** unless authorized by the President at a discount for promotional purposes.

## 2. HOW TO PLAY

Yeti Drop Blitz is an Instant Play game that participates in Progressive Jackpots, as set forth in the rules and regulations for each participating Progressive Jackpot Instant Play game. Not all Progressive Jackpot Instant Play games participate in the same Progressive Jackpot(s).

2.2% of the sales from each participating Progressive Jackpot Instant Play game will be rolled into the Progressive Jackpot with the other games participating in that Progressive Jackpot. 2.0% is contributed to the Progressive Jackpot prize and 0.2% of each purchase is contributed to fund the starting Progressive Jackpot value.

The object of Yeti Drop Blitz is to collect three (3) or more matching, adjacent symbols to win a prize (a "winning cluster") or trigger the 2nd Chance Bonus Trigger and the Drop Blitz Bonus for a chance to win Instant Prizes or even the Progressive Jackpot.

To begin play, the player must select their price point before purchasing the game, and then the player must complete the purchase process set out in the iLottery Terms of Use. The outcome of the player's ticket is determined at the time of the ticket purchase.

At the start of the game, Yeti Drop Blitz displays a 3x5 grid filled with symbols. When the PLAY button is selected, symbols fall into place in the grid. When three (3) or more identical symbols create a cluster which are connected in the grid by sharing a side (a "winning cluster"), the corresponding prize in the Prize Table is won. A winning cluster of symbols is removed from the grid and additional symbols cascade down to fill the grid. These symbols can create new winning clusters, which award corresponding prizes, and are removed from the grid. Symbols cannot be

connected diagonally to form a cluster. The base game ends when no new winning clusters appear on the grid.

A Wild Symbol may appear anywhere in the grid and transform to match any symbol, enhancing a winning cluster by adding a matching symbol for a greater win, or creating a winning cluster. It is possible for a Wild Symbol to be part of several different clusters on the grid.

Multipliers

A Multiplier Symbol may appear and multiply the value of all cluster wins. Available multipliers are 2x, 3x, 5x, 10x, 20x, and 50x. If more than one (1) multiplier appears, the multipliers are added together. For example, if 2x and 3x multipliers appear, the value of all wins is multiplied by 5x. Multipliers are applied after all tumbles are complete.

2nd Chance Bonus Trigger

If two (2) Bonus Symbols remain in the grid when all tumbles have completed, the 2nd Chance Bonus Trigger may activate.

A random number of symbols are cleared from the grid and new symbols tumble in for a 2nd chance to trigger the Drop Blitz Bonus.

The two (2) Bonus symbols are not cleared.

If a third Bonus symbol drops in, it triggers the Drop Blitz Bonus.

Drop Blitz Bonus

The Drop Blitz Bonus is triggered when three (3) Bonus symbols drop into the grid. This can occur randomly in the main game or through the 2nd Chance Bonus Trigger in the main game.

At the start of the Drop Blitz Bonus, the Bonus pachinko board appears with nine (9) pots at the bottom. One (1) pot shows a Star and the other eight (8) pots show numbers from twenty (20) to ninety-nine (99).

Initial Ball Drop

Drop one (1) ball.

If the initial ball drop lands in the Star pot, the Progressive Jackpot is awarded and the Bonus ends.

If the initial ball drop lands in a numbered pot, the number shown on the pot is the number of ball drops available in the Bonus game and the Bonus begins.

Bonus Play

When the Bonus begins after the initial ball drop, the pachinko board changes to show fifteen (15) pots at the bottom – thirteen (13) pots show prize values, from 0.1x to 100x the bet, and two (2) Retrigger pots.

The Bonus game starts on Level one (1). The number of balls available to drop are equal to the number earned in the initial ball drop.

If a ball lands in a prize pot, that amount is awarded instantly.

A ball may randomly appear as a multiplier, which multiplies that ball's prize value. Available multipliers are 2x, 3x, 5x, 10x, 20x, and 50x. Multiplier balls never land in Retrigger pots.

If a ball lands in a Retrigger pot, the Retrigger meter increases by one (1).

Unlock the next level when the meter fills with ten (10) Retrigger balls.

When the next level unlocks, the number of available balls to drop is equal to the original number of balls from the initial ball drop, plus ten (10). For example, if the number of balls in Level one (1) was thirty (30), then Level two (2) begins with forty (40), Level three (3) with fifty (50), and so on.

On each level, the two (2) Retrigger pots move one (1) space away from the middle. In Level five (5) (the max level), the Retrigger pots are removed and replaced with prize pots.
The Bonus ends when all balls have been dropped.

The game ends when no winning clusters remain in the grid, and any triggered bonus games are completed.

## 3. PRIZE STRUCTURES AND ODDS

**Duplicate prize amounts indicate multiple ways to win the same prize amount; different odds may apply to each way to win.**

**PRICE: $0.50**
